

MANAGEMENT RESPONSIBILITIES

Officers will exercise due diligence to:

- Acquire (and keep up-to-date) knowledge of work health and safety matters.
- Understand the nature of ABC Company operations and the general risks and hazards associated with them.
- Provide appropriate resources and processes to eliminate or minimise the health and safety risks associated with the company's operations.
- Make sure the company has appropriate processes for receiving information on hazards, risks, injuries/illnesses and incidents; to evaluate that information; and respond in a timely way.
- Make sure there are processes in place so the company complies with its legal obligations.
- Verify appropriate resources and processes have been provided and are being used.
