

An entrepreneurial soul excels

An employee's perspective - Gabriela Nunes,
Marketing and Administrative Assistant, Modern Signs (NZ) Ltd

How did you find out about NEW KIWIS?

I heard about it via CAB "How to find a job in New Zealand" workshop.

What exactly were the features you used (website information, job seeker account, consultancy, courses)?

I read the website information, did the online course, created an account, booked a consultancy with an Auckland Chamber of Commerce advisor and looked for job using search engine.

What are the key information and features that helped you to find a job?

The course was really important, as much as the advice received. They changed the way I used to write my CV and cover letter, and also prepared me for job interviews. I got much more confident about that.

Before NEW KIWIS do you think you were prepared to find a job in New Zealand?

Definitely not. NEW KIWIS helped me to be prepared for New Zealand market and job search.

What you've changed in the way you used to look for a job that was crucial for your job finding?

I changed completely the way I used to present my CV, and included information about my skills.

What is and what do you like the most about the job you found?

It is a great opportunity to interact with local people and learn more about New Zealand business, professionals and market, learn new skills and share my experience with them.

Is there any advice or tip you would like to give to other "new kiwis" that are looking for a job?

The tools and all information that NEW KIWIS give to migrants are really precious and they save you time, and give you so much confidence to be prepared to New Zealand job hunt. And what is better: everything for free and with great professionals! Use it.

Would you suggest using NEW KIWIS to anyone? Who?

Yes, to all migrants looking for a job in New Zealand.

Do you authorize NEW KIWIS and Auckland Chamber of Commerce to publish your answers and name in our website, brochures and other advertising material?

Yes, I do authorize.

Please write your name, surname, position you held and company name (this information will also be used with your statements)
