WHAT IS SOCIAL MEDIA

QUICK GUIDE

WHAT IS SOCIAL MEDIA?

There are many opinions and definitions of what social media is. Maybe the most accurate and easy to understand is the Oxford Dictionary definition, which is:

social media

noun

1. websites and applications that enable users to create and share content or to participate in social networking.

Social media takes on many different forms including:

- internet forums
- blogging
- micro-blogging i.e. [Twitter](#), [Tumblr](#)
- social networks i.e. [Facebook](#), [LinkedIn](#), [Google+](#)
- wikis i.e. [Wikipedia](#)
- podcasts
- photograph and picture sharing i.e. [Instagram](#), [Flickr](#), [Pinterest](#)
- video sharing i.e. [YouTube](#), [Vimeo](#)

SOCIAL MEDIA MARKETING

Social media marketing is using online communication tools to promote your business, usually instantly.

You can use social media to promote particular products, team members, or your business as a whole.

Social media is a useful way to communicate openly and directly with customers. And your customers can use the same methods to publicly answer back.

Social media marketing benefits:

- Immediate communication
- Easy to use
- Engage with your customers for free
- Interactive
- Free online presence
- Increases search engine rankings
- Increases website traffic
- Generate leads
- Creates a personality for your business
- Promote special offers
- Receive customer feedback

Top tips to boost your company's social presence:

- Know your audience
- Quality not quantity
- Show personality
- Be consistent
- Be interesting
- Get people involved
- Monitor and respond
- Be realistic
