

Guide to Business Support in the Mackenzie District

SOUTH CANTERBURY
CHAMBER OF COMMERCE

Business Vitality

The South Canterbury Chamber of Commerce holds the 'Economic Development & Business Support Services' agreement with Mackenzie District Council.

Helping the region thrive by offering effective business support, information and advice to any Mackenzie business or those considering a start-up.

Key Objective: 'to facilitate and support smart sustainable economic and business development in the Mackenzie District, that contributes to the well-being and quality of life for the community by creating and/or retaining jobs and supporting or growing incomes through individual business, and district wide recovery and growth'

Business Support & Connections

South Canterbury Chamber of Commerce business services staff can be a sounding board for your business, helping you with business planning, advice and information plus connecting you to other experts – either within the larger Chamber of Commerce network, independent partner or government organisations – locally, nationally and global.

One-on-one business visits and group/cluster workshops are offered, across a range of services. We will stay in contact with you to make sure you are receiving the support you need. This could include: Focus on Business Continuity and Business Planning, Re-imagining and Pivoting Service and Product provision, Restructure, Immigration facilitation, Marketing Support, and Start Up Business Advice.

Advocacy

The SC Chamber of Commerce is your potential advocacy partner on key projects/issues of significance for the district.

The SC Chamber can also assist with information and access to government recovery initiatives for businesses and wider district projects.

Training and Development

Invest in your career development and the productivity of your staff with our wide range of training workshops. Refer [Business Training Directory](#). In-house training specific to your business and/or industry is also available. Please discuss your needs with the Chamber directly.

The SC Chamber of Commerce is the pathway to government and other trusted sources for Mackenzie District and South Canterbury businesses including but not limited to:

Regional Business Partner Network

The SC Chamber of Commerce is the RBP ‘Growth Advisor’ for South Canterbury, assessing South Canterbury businesses eligibility for co-funding and/or access to experts. Capability Vouchers can be issued to businesses to use towards the cost of development and training in the areas such as Business Planning, Business Sustainability, Cashflow management, Capital Raising, Export, Finance, Governance, Lean Manufacturing, Business Operations, Managing Resources, and Marketing.

Business Mentors New Zealand

Business Mentors New Zealand, founded in 1991, is the only independent national business mentoring service provider to the small business sector in New Zealand. The service matches experienced businesspeople, the Mentors, with small business owners. Choose from ‘Start-Up’ or existing business programme options. Contact SC Chamber about how this can assist your business.

Callaghan Innovation's role is to activate innovation and help businesses grow faster for a better New Zealand. Take an idea from concept to commercial reality. Callaghan Innovation accelerates the commercialisation of innovation by New Zealand businesses through resources, knowledge and connections which help turn ideas into internationally marketable products and services more quickly and successfully. Find out how Callaghan Innovation can support and possibly help fund your R&D.

[New Zealand Food Innovation Network](#)

The South Island hub of New Zealand Food Innovation Network (NZFIN) is FoodSouth, an accessible, national network of science and technology resources created to support the growth and development of food & beverage businesses of all sizes by providing facilities and the expertise needed to develop new products and progress from idea to commercial success.

[Exporting- New Zealand Trade & Enterprise](#)

New Zealand Trade & Enterprise (NZTE) can help businesses that are exporting or thinking of exporting. The SC Chamber can help you to gain access to NZTE's support, this includes valuable online information and accessing the funding and global expertise your business needs to have the scale, commitment, and drive to succeed internationally.

[South Canterbury Export & Innovation Cluster](#)

A strong group of around 200 business owners/managers from South Canterbury businesses across all industry sectors. Many of whom are located either in Mackenzie District or collaborate with and contribute to the supply chain. Various events are offered throughout the year, specifically tailored to the Export & Innovation Cluster that are relevant and informative.
Sponsored by: PrimePort Timaru and Bank of New Zealand.
