

**An afternoon on the golf course, some business networking with colleagues and clients, refreshments as you go and some great prizes up for grabs too! What could be better?**

The Chamber Golf Classic has been a popular event on the Chamber calendar since 2009, attracting a full course of Chamber Members for a fun day on the golf course. Upon arrival all participating teams receive a goodie bag packed with items to support them during their time on the golf course. The tournament is ambrose format with a shotgun start. A BBQ is provided on the course as well as a half way drinks tent that keeps all the players well supplied with refreshing beverages. At the end of the tournament the golfers enjoy a dinner and prize giving at the club house.
